## *The second coming of Christ is unfolding – and it's a girl child*

Renowned seer creates provocative autobiographical fiction trilogy that entertains, and could save your soul

(Victoria, BC) – Are you wondering why there are so many dramatic changes happening in our world? Much, much more is unfolding for those who, like Lori Holmes-Boyle, can “see” other dimensions of our spiritual existence. Already in our midst, according to Holmes-Boyle, is a young girl now about 6 months old who will be the Second Coming (seraph) of the Christ Light on Earth. In response, the Dark Forces are increasing their interferences and challenges for all individuals.

**Agio Publishing House** announces the release of **THE SECOND SERAPH: The Complete Trilogy** by **L.A. Holmes-Boyle**. The three books (*The Guardian Beings*, *The Lantern and the Light*, and *The Third Prophecy*) will be sold individually as ebooks, and the complete trilogy is available in a quality trade paperback edition.

**THE SECOND SERAPH** is an autobiographical fiction trilogy – the author is one of the protagonists – and is a suspenseful psychic drama.

As a chosen handmaiden and an esoteric teacher sandwiched between the forces of Divine Love and the Dark Shadow Angels, Lori teaches Sister Immaculata, the ex-Nun now known as Alicia, about esoteric realities. The timing is critical because the Dark Forces are aligning to sabotage her and the Child.

“Experience the footpath of a seer who, through the use of prophecy, revelation and intuition, awakens the reader’s own Divine Child, enabling each of us to transform our lives to ones of peace, harmony and everlasting joy,” says Holmes-Boyle.

In **THE SECOND SERAPH**, the Angels – Lori’s Guardian Beings – share profound truths. “Everyone has a life purpose,” says Holmes-Boyle. This book will help you to discover yours and reveals “*The Keys*.”
